I am but a piece
in the overall picture . . .

Out of jumbled chaos and confusion,
my Master picks me up,
then places me in uniformity,
knowing exactly where I'll fit.

I am but a letter
in a volume of words . . .

Out of ambiguity and vagueness,
my Master searches for me,
and places me in relationships,
knowing exactly
where I'll make sense.

I am but a dot
on a page of lines . . .

Out of insignificance and complexity,
my Master pinpoints me,
then joins me to a sequence,
knowing exactly how I'll complete the image.

The Lord is my light and my salvation;
whom shall I fear? The Lord is the
defense of my life; whom shall I dread?

When evildoers came upon me to devour
my flesh, my adversaries and my enemies,
they stumbled and fell.

Though a host encamp against me, my
heart will not fear; though war arise
against me, in spite of this I shall
be confident.

One thing I have asked from the Lord,
that I shall seek: that I may dwell
in the house of the Lord all the days
of my life, to behold the beauty of
the Lord, and to meditate in His temple.

For in the day of trouble He will
conceal me in His tabernacle; in the secret place
of His tent He will hide me;
He will lift me up on a rock.

And now my head will be lifted up above
my enemies around me; and I will offer
in His tent sacrifices with shouts of
joy; I will sing, yes, I will sing
praises to the Lord.

Hear, O Lord, when I cry with my voice,
and be gracious to me and answer me.

When Thou didst say, "Seek my face,"
my heart said to Thee, "Thy face, O
Lord, I shall seek."

Do not hide Thy face from me, do not
turn Thy servant away in anger; Thou
hast been my help; do not abandon me
nor forsake me, O God of my salvation!

STUDENT LIFE

New Beginnings

Anticipation and excitement grows as a new year begins at Judson. Who can forget fall registration where lines and more lines provide a chance for plenty of talking. Freshmen meet new friends while returning upperclassmen are reunited.

Fun Week

Judson's annual Fun Week helped initiate the newcomers on campus. The week began with Servant '82 in concert and an all-you-can-eat Ice Cream Social. Beanies and name tags were just some of the exciting apparel worn by the new freshmen. The initiation procedures were topped off by the glorious mud pit and Kangaroo Court . . . the surviving freshmen were now officially Judson students!

Homecoming '82

"Those Roaring, Outrageous, and Romantic Twenties" was the theme chosen for Homecoming 1982. Activities for the weekend began with "Almost Anything Goes," a pep rally where Freshmen, Middler and Senior classes competed against each other in unusual tests of skill and daring.

Coronation ceremonies, featuring songs from the 20's climaxed with the crowning of Brian Van Meter and Bethany Marshall as King and Queen. Middler attendants Rick O'Neil and Toni Overly, as well as Freshman attendants Bill Edwards and Mary Carlson, were announced. Other activities included the movie "The Competition," a bonfire on campus and a soccer game. Highlighting the weekend was a banquet held at Chateau Louise and a concert given by David Meece.

M.A.S.H.

Students, faculty, and staff banded together for a campus wide clean-up day also known as M.A.S.H. (Making Available Student/Staff Help). It was a definite success with over 70 people participating. Students and faculty worked side-by-side to prepare the campus for Founder's Day.

Celebrating Twenty Years

More than 1,000 persons attended the Founder's Day celebration marking the 20th anniversary of Judson College and the dedication of the Lindner Campus Commons. The convocation included a musical performance by Judson's choir along with the presentation of honorary doctorate degrees to Robert and Carl Lindner of Cincinnati, Ohio. The keynote address was delivered by Dr. Anthony Campolo, well-known speaker and author. Primary attention of the day was focused on the formal dedication of the Lindner Campus Commons which was made possible by a \$1.5 million gift from the Lindner families and \$500,000 from many others. The day's activities continued with a luncheon and culminated with a dinner where various persons were recognized. Dr. William Brady, speaking at the Founder's Day dinner, recounted the early days of the college and the remarkable development of Judson these past 20 years.

Parents Visit the Campus

Janeen Hancock and Jody Bowser served as emcees for 'The Sound of Music', an evening of music from Broadway. This talent show, presented by more than 30 students, was one of the many activities held during the third annual Parent's Weekend where parents were invited to visit the Judson students in their home away from home. The full schedule of activities included a soccer game, a play presented by the Judson theatre department, a faculty forum, President's Reception for parents and students, and a banquet held in the Lindner Commons.

LEFT: Katrin Wohlschlegel and Dan McMahon do their version of 'Only Make Believe' from 'Showboat' during the talent show.

Pilgrim is a modern adaptation of John Bunyan's 'Pilgrim's Progress', written by Tom Key. Condensed to a two-hour running time, the play combined both humor and drama to depict a Christian's journey toward salvation. Under the direction of Edie Patterson, the play opened October 28 for its eight-performance run which marked the Midwest debut of this major work.

Senior Jeff Krikau played the title role of 'Pilgrim'. The others in the cast took on a myriad of roles: Jim Giessler, Cindy Goetze, Rick O'Neil, Kathy Ortel, Anna Plassman, Dick Schmidt, Ken Thies.

Christmas by Candlelight

Judson's annual celebration of the holidays, which was expanded to two evenings this year, was attended by students, faculty, and several hundred guests from the community. The Candlelight Dinner was held in the new Lindner Commons where, throughout the evening, guests were entertained with sacred and secular Christmas music performed by the Judson Chamber Singers and various soloists.

Roman Slave Sale

An excited crowd attended Judson's first Roman Slave Sale to watch silver-tongued Ray Henderson auction off a selected group of Judson cheerleaders, men and women basketball players, and other athletes. Sponsored by the cheerleaders, the sale raked in a total of \$170.00. The slaves, still wearing togas, joined their buyers the next day to perform a number of tasks.

A time to focus on our spiritual lives, Spiritual Enrichment Week was centered around the theme "The Victorious Christian Life" from the book of Romans. A series of five chapel services featured special music, drama, and testimonies from students and faculty. Dr. William J. Bowser, pastor of the First Baptist Church of Marshalltown, Iowa, was the guest lecturer for the series.

Judson
Theatre

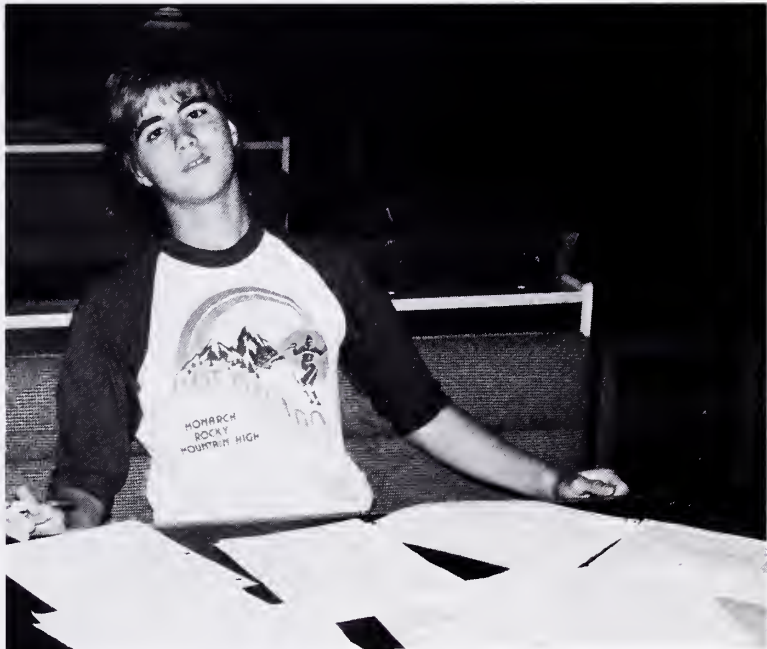

Two sell-out concerts by Farrell and Farrell, a nationally acclaimed contemporary Christian music group, climaxed activities during Judson's eighth annual conference for high school juniors and seniors. The youth were on campus during February 17-20 to survey the college and attend a series of seminars focusing on the theme, "No Longer Children" (based on I Corinthians 13:8-12). The featured keynote speaker was Bob Laurent, evangelist and president of the Good News Circle. Other instructors included Bible teacher Dave Nichols, Judson president Dr. Harm Weber, and members of the Judson faculty and student body.

Judson Theatre presented Gilbert and Sullivan's musical masterpiece of secret identity, unrequited love, giggling girls, and bribable bureaucrats. Songs such as 'A Wandering Minstrel' and 'Willow, Titwillow' were woven among the endless plot twists. The play opened May 19 for a 10-performance run under the direction of Jack Hill and pianist Janet Thompson.

Athletic Field Dedicated

Alumni Sports Day provides a chance for Judson sports teams, old and new, to regather and compete against each other, to renew old friendships and to simply "remember when." The Judson College baseball diamond was renamed 'The John Wyke Field' at ceremonies held during the day this year. Wyke founded the renovation of Judson's baseball field and the raising of the soccer field in 1976. The day's activities also included soccer, volleyball, cross-country, baseball, basketball, tennis and softball competition.

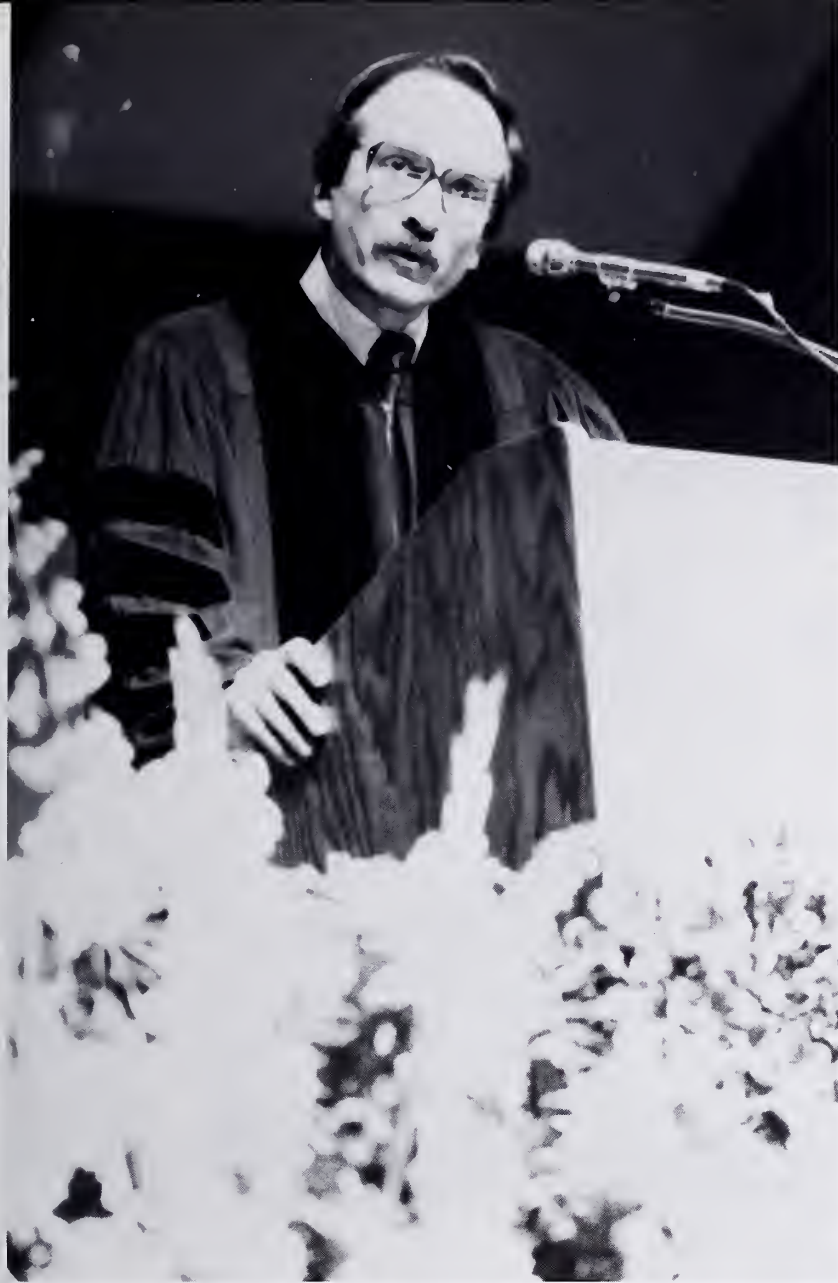

A Time of Celebration

The 1983 Judson College Commencement ceremonies began June 4th with a dinner held in the Lindner Commons. Following the buffet was a concert in the amphitheatre featuring the Choir, Chamber Singers and the Handbell Ringers. Festivities continued on Sunday, June 5th, with the Baccalaureate held in the Herrick Chapel. Rev. Arthur L. Walker, Jr. Executive Secretary of the Association of Southern Baptist Colleges and Schools, delivered the message entitled, "Finding Answers." Following the service, graduates-to-be, parents, and friends gathered outside for congratulations and picture taking.

The Final Step

98 seniors received diplomas during the Commencement ceremonies held in Hemmens Auditorium in downtown Elgin. The keynote speaker was Rev. Ronald G. Taylor, executive director-elect of International Ministries for the American Baptist Churches USA. Following the presentation of the Student Service Award to Liz Thompson, honorary degrees were conferred upon Rev. Robert E. Briggs and Rev. Ronald G. Taylor.

Servant '83

This was the 20th consecutive year that Judson sent out a musical group as part of its summer reach out team program. Servant '83 traveled extensively throughout the summer giving concerts in churches, schools, and camps, including an appearance at the American Baptist Churches Biennial meeting in Cleveland. They played a variety of contemporary Christian tunes as well as arrangements of traditional hymns. Four states are represented among the six students that made up the group. Captain of the team is Scott Nelsen, a junior from Elgin, Illinois. Other Servant '83 members include: Brenda Olsen, a junior from Buffalo Grove, Illinois; Mary Ellen Olson, a junior from Fond du Lac, Wisconsin; Mark Schmutz, a junior from Cincinnati, Ohio; Kelly Shonk, a junior from Columbus, Ohio; and Jon Woodhams, a junior from Charlotte, Michigan.

The Handbell Choir performed almost 30 concerts this year on tour and in the Elgin area under the direction of Professor Alice Thompson. Tours were made to Ohio, Michigan, and California in March with the college choir. Their home concert in Herrick Chapel featured bells with various instruments: timpani, harp, saxophone, flute, and organ. The entire bell choir attended and performed in the first Collegiate Handbell Festival held at Illinois State University in Normal, Illinois.

The five girl and five guy cheerleading squad maintained a high level of enthusiasm by sponsoring many activities including the 'Almost Anything Goes' Competition during Homecoming, Eagle Pizza sales, Chapel skits, pep rallies, and the 'Roman Slave Trade.' They also traveled to a majority of the away games with other students to support the teams. Through the cooperation of the coaches and many other people, this year's cheerleading squad had an active and successful year.

This year has been an outstanding year for Student Senate. Each committee, in its own way, has accomplished a great deal . . . Social Activities hosted a double Farrell and Farrell concert which was probably the most successful in Judson's history; Spiritual Life sponsored a retreat at Greenlake with more students than ever before attending; Academic Life emphasized new and different programs — college bowl, mini courses, and a tutoring program.

Even though students measure a successful year by its accomplishments, there really is a lot more that happens "behind the scenes." The professional and business-like attitude of this year's leadership made Student Senate unique.

A way that this is recognized is by the completion of the new Student Senate Constitution. Not only does it address the necessary changes but it also communicates the purpose of Judson College Senate in a succinct manner, "to assist in the full development of the students of Judson College by promoting fellowship, encouraging high academic and moral standards, and fostering a distinctively Christian environment in the college community, in accordance with procedures, rules, and regulations set forth in this and other college documents, and in keeping with the principles set forth in the Holy Bible." With this purpose, the 1982-83 Judson College Student Senate has been a success!

The men's and women's chapters of the Fellowship of Christian Athletes remained quite active at Judson this year. Major FCA-sponsored activities included the FCA night at the Chicago Bull's game, the All-Stars basketball game against the faculty, and the annual spring mini-conference in which approximately 200 Chicagoland area high school and junior high students gathered on campus for a weekend of fun and fellowship. Conference speakers included Brent Hall, soccer player from the Chicago Sting, FCA President Erichson from Kansas City headquarters, and professional entertainer Rick Nielson.

A very important part of this year's FCA was the establishment of 'huddles' or FCA chapters in area high schools. The women worked with Dundee High School while the men prepared to work with Elgin High School.

Funds were raised from a variety of activities, including concessions at Judson sporting events, sales of old athletic uniforms, and a talent show. The women's chapter also participated in a Jog-a-thon.

The Judson chapters meet weekly for an hour of prayer and share Bible Study, a game of basketball, or to hear guest speakers while at the same time strengthening their own commitments to the Lord and learning how to deal with situations in which a Christian athlete in today's world will often encounter.

Chess Club

The love of chess and desire for competition brought a group of Judson students together to form a new club. The Chess Club sponsored intercollegiate competition as well as chess tournaments. Officers included Tom Black, President; Bill Lightner, Vice-President; Mike Thomas, Treasurer; and Dave Wischmeier, Secretary. Dr. Richard Clossman served as faculty advisor.

The Minority Fellowship was started this year for the purpose of bringing together the minority students on campus. Open to anyone, their goal was not to segregate themselves, but rather to get to know and encourage each other through Christian fellowship. The club planned activities and conducted weekly meetings. Working with the Enrollment Services Office, the group hoped to get more minority students to attend Judson by going into churches and visiting area high schools.

A highlight of the year was the magic show which was one of the many projects conducted by the club to send three of their own members out as B.S.U. summer missionaries.

Saturday Morning Club

A group of dedicated Judsonites rose early on Saturday mornings and ventured out to two apartment complexes in Elgin and Carpentersville to pick up children ranging in age from eight to thirteen years old and bring them back to Judson. Most of the youth come from low-income families. The desire to reach more kids led to an expansion of the club as this is the first year they have contacted children from Carpentersville. Meeting in the gym, the club leaders conducted a Bible Study and then the kids were allowed free time during which they participated in such activities as basketball, volleyball and dodgeball. Caroling and Christmas shopping were a few of the special events planned. The leader and coordinator of this year's club was Nathan Potratz.

In Memory Of Ardealia Kay (Dee Dee) Jones

May 2, 1961-July 13, 1983

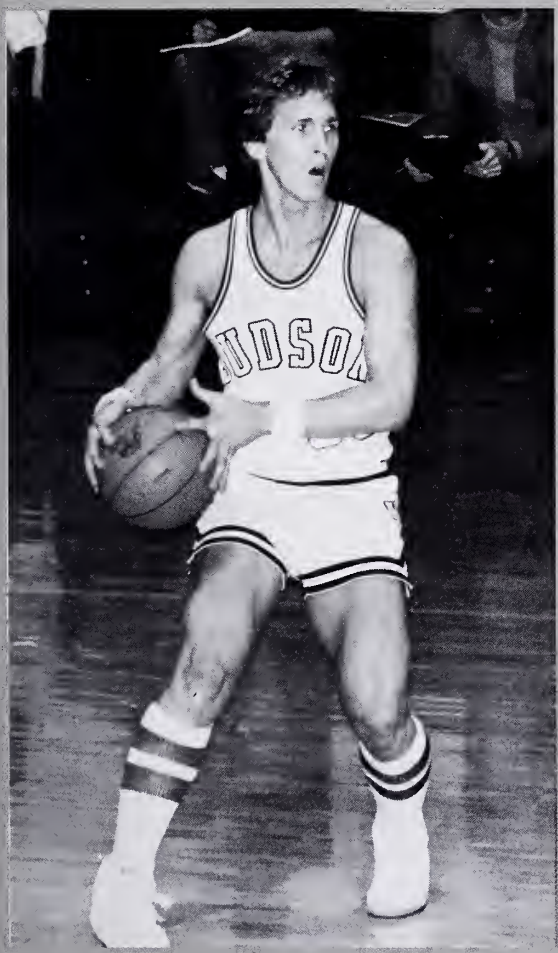

Ardealia was a senior art student at Judson. Her life among us on campus was a beautiful Christian testimony of courage as she faced an uncertain future in her constant struggle against Lupus.

This talented, kind and generous young woman will long be remembered for her unwavering faith in our Lord Jesus Christ.

* * *

All of us at Judson will miss you, Ardealia. But comfort comes with the promise of renewed and eternal life with the Lord.

ATHLETICS

Eagles #2 in Nation

This year the Judson College soccer team finished in second place in the National Christian College Athletic Association (NCCAA) national tournament in Orlando, Florida. It was the Eagles' best effort since they were runners-up back in 1975. Enroute to the national championship the Eagles also finished first-place in District and Regional Championships as well as compiled their best overall record (14-8) and conference record (3-1). Players Ric Campbell and Seyoum Abebe were named to the all-tournament team.

1982 marked the first winning volleyball season for the Women Eagles. Finishing the season at 24-18 they have also produced the highest winning percentage accomplished by a women's team to date. Said Coach Kathy Shemwell, "We had nine returning players and knew that it was destined to be a great season." 17 of the 23 team records were beaten!

Judson's 1982-83 Cross Country team was the youngest in many years as 5 of the 7 members were first year runners. The team competed in the largest on-campus invitational in Judson's cross-country history — fifteen teams. The team finished fifth in the conference. First year Coach Dan Westlund loses only one runner this year, Jeff Thomas, and hopes that the experience gained this year can be a stepping stone to a big 1983 season. Larry Webster earned All-Conference.

The team finished second in the NCCAA District and was recognized as one of the NAIA's top 15 defensive teams — allowing opponents to score only an average of 58 points per game.

Freshman Kim Seiber was selected to the NAIA All-District team and the All-Conference squad of the NIIC. Jan Zehr, a sophomore, was also picked to the NIIC All-Conference team as well as being named honorable mention on the NAIA All-District team.

The 1982-83 Men's Basketball season proved to be exciting for the Judson Community. Fans and players both enjoyed the aggressive pressing defense and a fastbreaking offense. Getting off to a fast start (winning three of the four tournaments entered) proved to be the norm for the remainder of the season. Many team goals were reached as well as several individuals receiving honors. A strong conference finish found them still a little short, having to settle for second. Several Judson records were broken this season including, most wins in a season, most steals in a season, most assists in a season, best field goal percentage, and highest conference finish in ten years. With many players returning, the 1983-84 season looks as bright as this past season. However, Judson will miss the presence of Carlton Ames, a three year starter who helped in the rebuilding process of Judson basketball.

Third in Conference

BACK: left to right, Trainer Doc Ryder, Brian VanMeter, John Hochrek, Jerry Smith, Al Smith, Mike Scheffler, Coach Sam Harris. **FRONT:** Pat Hickey, Mike Kunch, Mark Demein, Brian Harrmann, Tim Rooney, Jeff Farrey.

Early play during their spring tour to Hawaii prepared the Judson baseball team for what proved to be a demanding and competitive season schedule. The team recorded an impressive 7-4 conference record, finishing in a tie for third place.

Softball Faced Rainy Season

Despite the endless rain and game cancellations, the young softball team recorded a 10-10 mark. Said Coach Forlow, "Given the amount of inexperience at most positions, our 10-10 record was very good." The team members were determined and worked diligently throughout the season.

Men's Tennis Team Has Best Season Ever

Coach Kevin Comfort, Gene McDaniel, Larry Webster, Tim Logan

Judson graduate Kevin Comfort coached the tennis team to its best season ever as the team finished with a 6-4 overall record and a 4-3 conference record. Tim Logan was the team's most valuable player, playing in the second singles position and on the first doubles team. The season's most improved player, Larry Webster, played on the third doubles team. Webster's partner, Gene McDaniel, won the coach's award. The team was rounded out by freshman John Schmidtke, who played in the first singles position, Brian Wynn, Mark Wilson, Jody Bowser, and Mike Monahan.

Athletes Honored
